TELL ME MORE...

At the start of each term we create a timetable in consultation with the children which is available to view on our website.

We have a team of specialist and experienced staff, who work with the children. It is our aim to provide a play and activity focused, friendly environment, valuing the children and young people who attend.

Further information on this service, including any charges that may apply are available on request. If you would like to apply for a place then please contact Catherine Ely at Resources for Autism, 858 Finchley Road, Temple Fortune, London, NW11 6AB or telephone **020 8458 3259**. You can also apply online at **www.resourcesforautism.org.uk**
